## Salute to Donuts

National Donut Day is celebrated on the first Friday in June, this year June 7.

- Everybody loves this all American treat: over 10 billion donuts are sold each year.
- Elizabeth Gregory was known for making a very fine “oily cake” with a hint of nutmeg and a filling of hazelnuts or walnuts. Her son, Hanson Crockett Gregory was a 16 year-old sailor who invented the doughnut hole in 1847 to ensure the cake was cooked fully throughout the center.
- During World War 1, the Salvation Army fed donuts to homesick U.S. troops in an effort to boost morale. Women with the Red Cross who served doughnuts during WWII came to be known as “Doughnut Dollies.”

## Dress ‘em up:

- The LBD of donuts? The glazed donut is almost 3 times as popular as any other flavor.
- Chocolate iced is usually the second most popular flavor, although maple, caramel and filled donuts are all strong performers.
