# Slice of Success

For decades, cheesecake has been a favorite dessert in bakeries and restaurants. Lawrence Foods' fruit fillings, icings, and glazes provide operators with high quality options to create endless combinations. Our whole-fruit fillings have high fruit content with full fruit identity. These premium fruit fillings present well when used as a topping or mixed into a cheesecake batter. Guests will enjoy rotating flavors and designs that can be easily achieved with our ready-to-use bakery products. Fill your display cases and pastry shelves with unique and creative flavors that will catch shoppers by surprise.

- Cheesecake has had a 20% increase in social mentions year over year and has had a steady upward trend since 2023. Predictions in consumer demand show that the trend will continue to be positive.
- Strawberry cheesecake remains the number one flavor in the US. Emerging flavors include: blueberry pie, passion fruit, lemon lavender and banana caramel.

**On the Cover:** Savvy operators can order plain frozen cheesecake and top them with Lawrence Foods' delicious fillings to quickly change flavors and designs. Conceptualizing new desserts can be difficult and laborious; let our products open the door to numerous easy options.

## RESTAURANT MENU

### Bananas Foster Cheesecake

Banana and caramel has been a classic American flavor combination since its introduction in the 1950's in New Orleans. This cheesecake uses our Banana Crème Filling and Cajeta to make a delicious version of the original dessert. Our fillings can be used baked-in, or piped-on, sweets to create a variety of flavors to please any crowd.

## RETAIL CASE

### Mini Iced Cheesecakes

These mini desserts are so easy to create with our many toppings. Provide a new and unique experience with our buttercreams to top cheesecakes. Peanut Butter and Pistachio Decocrèmes Buttercrème are used to finish these tiny treats that are sure to fly off the shelf.
