Bright Fruit Fillings

Lawrence Foods' 135+ years of experience manufacturing fruit fillings has led to being an industry leader in quality and flavor. Summer means the return of farmers markets full of fresh picked produce that inspires desserts. Our fruit fillings are full of bright orchard freshness that brings the sunshine from the farm to dessert. Lawrence Foods' fruit fillings are the clear advantage to win the summer season.

- Flamont Flavor's® 2025 Seasonal Flavor Guide, highlights "Fruity Blends" for summer. The guide notes an increase in adventurous flavor combinations that mix tropical fruits with traditional summer staples.
- Strawberries are the most sold berry in the U.S. They consistently top the charts in popularity, appearing in everything from fresh produce aisles to jams, desserts, and beverages. Blueberries follow closely behind as the second most popular berry

On the Cover: Lawrence Foods' fruit fillings take breakfast from average to extraordinary. Fruit fillings with juicy, flavorful, whole pieces bring fresh orchard flavor to any menu. Our fillings are bake and freeze thaw stable to optimize production in any operation. Add some color and seasonality with our wide range of fruit flavors.
