Tropical Tastes

January 2026

January 2026

Sunny Sweets

During the colder months, guests are dreaming of warm weather and trips to the beach. Lawrence Foods brings the taste of warmth and sun with tropical flavors fit for any season. Global influences continue to take the taste world by storm with unique regional flavors. Our team is constantly working to innovate with these new flavors in our extensive line of products. We are thrilled to be relaunching our Mango Decocrèmes® Icing and Mango EZ Squeeze® Filling to highlight the tropical popularity.

- Tropical fruits are seeing a large increase in social shares with 27% year over year. In restaurants, tropical fruits are also experiencing growth with a 13% increase on menus.
- Mango continues to grow as a favorite flavor, with a 16% growth, with top dish combinations containing rice or matcha.

On the Cover: Cream cheese and guava are a classic Latin pairing that has been a favorite for years. This modern twist pairs it with coconut in a simple but elegant torte that is sure to be a hit. Lawrence Foods ready-to-use icings and fillings make producing cakes and desserts easy for any skill level or operation. Our new Mango Decocrèmes Buttercrème makes a striking addition to desserts with its brilliant color and tropical flavor.

RESTAURANT MENU

Pina Colada Flan

Our easy to make flan is the perfect dessert to dress up seasonally. Simply warm and pour the flan, then chill. The easy process can create many different designs and flavors in a flash. Prepared with coconut milk instead of milk, this dessert is a perfectly smooth custard topped with deliciously tart, ripe pineapple flavor.

RETAIL CASE

Mango Rice Pudding

Rice pudding has seen a 20% rise in mentions year over year and is expected to continue to rise. This classic and cost effective pudding gets a tropical twist with our Mango EZ Squeeze® Filling. This filling has pieces of ripe mango with a subtle sweetness to complement any tropical dessert.
